To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to load of work caused because of the CORONA Virus. The delay in work was an inevitable result of health transactions and the ban we imposed during the Corona Virus to maintain the safety of our employees, which led to a slowdown in the workflow.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted other UN Global Compact website by before 18/ July/ 2022 at the latest.

Sincerely yours,

Maya Patsalides
