To our stakeholders

Dear Sirs,

Re: Communication on Progress (COP)

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating, sharing and posting our COP report due to the ongoing work that we are undertaking to prepare for the publication of our first Sustainability Report.

We launched our sustainability strategy in October 2021 which can be found on our website https://airtel.africa/assets/pdf/Airtel_Africa_Sustainability_Strategy_211110.pdf and our first Sustainability Report will be published later in the year 2022. We also plan to publish our decarbonisation plan ahead of our sustainability report.

We hereby ask for an extension period to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 21 July 2022 at the latest.

Sincerely yours,
