To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP).

We are delayed in creating, sharing and posting our COP report as it is still under final review by internal stakeholders. We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by October 1st at the latest.

Sincerely yours,

Suzanne Lindsay-Walker
