To our Stakeholder: UN Global Compact

**REQUEST TO SUBMIT THE COMMUNICATION ON PROGRESS (COP) BY 31 DECEMBER 2022**

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions with regards to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Eskom is delayed in creating, sharing and posting our COP report due to delays in publication of the Eskom Integrated and Sustainability Reports.

We hereby request an extension to enable us to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website before 31 December 2022.

Yours sincerely

Gabi Mkhathswa
