Dear Secretary-General,

Re: Letter of Commitment

I am pleased to confirm that Kenya Private Sector Alliance (KEPSA) supports the ten principles of the United Nations Global Compact in respect to Human Rights, Labour Rights, the Environment and Anti-corruption. With this communication, we express our intent to support and advance those principles within our sphere of influence. We commit to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company and undertake to make a clear statement to our employees, partners, clients and to the public of this commitment.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our effort to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact Network, and annually thereafter according to the Global Compact COP policy.

Yours sincerely,

Carole Kariuki
