Dear Mr. Secretary-General,

I am pleased to confirm that Business Women Association of Montenegro (Business Women) supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to advance those principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks, involvement in specialized initiatives and workstreams, engagement in partnership projects, and reviewing and providing commentary to participating companies on their Communication on Progress.

Sincerely yours,

Ms. Milosava Žugić
President
