Dear Mr. Secretary-General:

On behalf of the Board of Directors of *Comverse Technology, Inc. (NASDAQ: CMVT)*, I am pleased to confirm that our operating subsidiary, *Comverse, Inc. and its subsidiaries (Comverse)* support the ten principles of the Global Compact with respect to human rights, labor, environment and anti-corruption. We express our intent to advance and promote those principles to our employees, customers, vendors, and business partners. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of Comverse, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals. *Comverse* will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes Comverse's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on our progress within *one year* of joining the Global Compact, and at least *annually* thereafter according to the Global Compact COP policy.

Sincerely yours,
