### **ICSS support to UN Global Compact**

Dear Mr. Secretary-General,

I am delighted to express the most full support given by the International Centre for Sport Security (ICSS) to the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption.

ICSS is a private institution for public benefit established to develop best-in-class training, research and knowledge sharing in order to contribute to its ultimate objective of enhancing security and safety of sporting events. One of our current operational priorities is to preserve the integrity in the world of sport.

With this commitment, we express our intent to further advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

While expressing my gratitude for your attention, please accept, Secretary-General, the assurances of my most deep esteem and consideration.

Mohammed Hanzab

President
