Dear Mr. Secretary-General,

I am pleased to confirm that Dukat dairy industry Inc. - Croatia supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this communication, we express our intent to advance those principles within our sphere of influence.

Our business strategy is based on the principles of responsibility, efficiency, transparency, effective control and professionalism as well as following good business practices in relation to our business partners, business and social environment and our employees.

Therefore, we are committed to making the Global Compact and its principles part of the our strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals.

Dukat dairy industry Inc. will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the ten principles.

We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

We hope that we meet your requirements for participation in Global Compact program since we find it to be a valuable tool in developing our corporate responsibility and improving our sustainable development policy.

Sincerely yours,

Alen Fontana
Managing Director
Dukat dairy industry Inc. - Croatia
