Dear Sir Secretary General,

I am glad to confirm that the joint-stock company “National Mining Company “Tau-Ken Samruk” supports the ten principles of the UN Global Compact in the field of observing human rights, labor relations, environmental protection and struggle against corruption.

“Tau-Ken Samruk” JSC was established in 2009 according to the resolution of the Government of the Republic of Kazakhstan aiming to ensure effective exploration, development, mining, processing and realization of solid minerals; to develop effective governance of the government-owned stakes of metals and mining companies; to encourage introduction of new innovative technologies in the metals and mining industry; to provide reproduction of Kazakhstan mineral resources reserves and development of non-commercial resources.

Herewith we express our intention to contribute and raise awareness of stakeholders of the principles of the UN Global Compact in the field of our activity and inform the public about the content of this letter.

We also shall take part as far as possible in the activity of the UN initiative the Global Compact, partner projects, consideration and preparation of comments to Messages on progress achieved by companies-participants of the Global Compact.

“Tau-Ken Samruk” JSC supports public accountability and transparency, and therefore commit to report on progress within one year after joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

Sincerely,

**Chairman of the executive Board
of “Tau-Ken Samruk” JSC**
