**STATEMENT OF SUPPORT** 

### Statement of Support

In our opinion, Corporate Social Responsibility comprises environmental, economic and social responsibility. Melitron's approach to Corporate Social responsibility is intrinsically linked to our core business values and we believe that being a socially responsible business makes good business sense. Additionally, Melitron is a signatory to the United nations Global Compact, a platform for encouraging and promoting good corporate principles and learning experiences in the areas of human rights, labour, environment and anti-corruption. This Communication in Progress provides an overview of our activities since committing in 2008 to the Global Compact's objectives.

Our Corporate Values that we formalized in 2002 and that guides our company today, embodies the spirit of ethical sustainability and transparency. We define sustainability through our values which give rise to our policies, our ethics and our corporate culture. They commit our company and every employee to environmental stewardship, safe work environments and socially responsible behavior in our workplaces and our communities.

# **HUMAN RIGHTS**

### Human Rights

## PRINCIPLE 1 – BUSINESS SHOULD SUPPORT AND RESPECT THE PROTECTION OF INTERNATIONALLY PROCLAIMED HUMAN RIGHTS

Melitron entirely supports and respects the Universal Declaration of Human Rights. Melitron abides to the UN Global Compact principles for the workplace. Melitron continues with its diversity hiring policy based on qualifications and a balanced work force.

### PRINCIPLE 2 – BUSINESS SHOULD ENSURE THAT THEY ARE NOT COMPLICIT IN HUMAN RIGHTS ABUSES

At Melitron, we abide by Global Compact's human rights principles though our internal policies. We have comprehensive rules and a code of conduct that are binding on all employees. It protects the interest of the employee and other stakeholders.

Further, every new employee at Melitron receives an employee handbook delineating their rights, obligations and their recourses. The following are some of the subjects in relations to human rights addressed in our Melitron Employee Handbook:

**Equal Opportunity** – Melitron judges individuals by their abilities, not their disabilities; the company seeks to give full and equal employment opportunities to all people capable of performing successfully in the company's position.

**Harassment at Work** – Melitron is committed to maintaining a positive, fair work and educational environment, free from any kind of harassment.

**Health and Safety** – Melitron has an ongoing interest in the health, safety and protection of all our employees and will make every effort to provide (and maintain) a safe and healthy work environment.

**Privacy** – Melitron acknowledges that employees have a fundamental right to privacy in the workplace and it is the company's stated belief that all employees should be treated with respect.

# LABOUR STANDARDS

### Labour Standards

## PRINCIPLE 3 – BUSINESSES SHOULD UPHOLD THE FREEDOM OF ASSOCIATION AND THE EFFECTIVE RECOGNITION OF THE RIGHT TO COLLECTIVE BARGAINING.

At Melitron every employee has the right and ability to improve their status within the organization through the bid process for higher positions of authority. Since there is no union rules or regulations in place a true collective bargaining process is nonexistent. However, each employee through his/her performance can bargain for position and wages based on a performance focused process and evaluation.

#### PRINCIPLE 4 – BUSINESS SHOULD SUPPORT THE ELIMINATION OF ALL FORMS OF FORCED COMPUL-SORY LABOUR

Melitron complies with local legislation around labour and employment practices, such as working hours, wages and benefits, equal opportunity and freedom of association, child labour, health and safety, work-life balance etc. The Melitron employee handbook is designed based on local legislation and it includes policies related to compensation, benefits sexual harassment, disabilities, substance abuse etc.

#### PRINCIPLE 5 – BUSINESS SHOULD SUPPORT THE EFFECTIVE ABOLITION OF CHILD LABOUR

Melitron does not permit child labour and will not employ children under the age of 16 in our operations. Melitron complies with all relevant Canadian laws, including those related to the Charter of Human Rights.

## PRINCIPLE 6 – BUSINESS SHOULD SUPPORT THE ELIMINATION OF DISCRIMINATION IN RESPECT OF EMPLOYMENT AND OCCUPATION

Melitron is committed to equal employment opportunity in every aspect of the employment policy and practice including the selection, placement, training and career advancement. Melitron celebrates diversity and practices employment equity. In complying with this and pursuing our own goals of diversity, Melitron shall not discriminate on the grounds of race, color, religion, sex, sexual orientation, national origin, age, disability, or veteran's status in employment, education, and all other areas of Melitron. Melitron works to ensure that no person shall be denied employment opportunities or benefits at Melitron for unrelated to ability. The company will always provide reasonable accommodations to qualified individuals with disabilities upon request.

**ENVIRONMENT** 

### Environment

## PRINCIPLE 7 – BUSINESS SHOULD SUPPORT A PRECAUTIONARY APPROACH TO ENVIRONMENTAL CHALLENGES

Melitron supports a precautionary approach and look to anticipate and prevent environmental problems before they occur. Melitron conforms to the strictest air and water quality standards set by federal, provincial and municipal authorities. We carefully monitor all of our water waste generated in our factory operations. Our pre-treatment water effluent is tested and recorded daily. Our modern manufacturing facility uses the latest environmental technologies and procedures and is equipped with anti-pollution equipment and alarms systems. All chemical waste is stored and disposed of with an accredited waste disposal company. Melitron recycles all excess cold and hot roll steel, aluminum and stainless steel material used in our manufacturing processes.

## PRINCIPLE 8 – BUSINESS SHOULD UNDERTAKE INITIATIVES TO PROMOTE GREATER ENVIRONMENTAL RESPONISBILITY

Melitron is committed to undertake initiatives to promote greater environmental responsibility. We are in the process of creating a ISO 14000 complainant system. Melitron in addition to recycling materials used in our fabrications processes participates in a full-scale office recycling program to reduce waste throughout the offices. This program includes the recycling of paper and light cardboard materials as-well as plastic, glass and metal products. Recycling bins are strategically placed throughout the offices and all recyclables are collected daily and periodically shipped to external recycling facilities.

## PRINCIPLE 9 – BUSINESS SHOULD ENGORAGE THE DEVELOPEMNT AND DIFFUSION OF ENVIRONMENTAL FRIENDLY TECHNOLOGIES

Melitron is committed to promoting development and diffusion of environmental technologies. The two large capital projects were completed last year: retro-fit all plant lighting with T5 high-efficiency florescent lighting and converting our pretreatment wash system to a low temperature iron-phos solution. These projects will reduce our electricity and gas consumption, as well as our carbon foot-print.

# **ANTI-CORRUPTION**

### Anti-Corruption

## PRINCIPLE 10 – BUSINESS SHOULD WORK AGAINST CORRUPTION IN ALL ITS FORMS, INCLUDING EXTORTION AND BRIBERY

Melitron corporate values are designed to help maintain the company's reputation of honesty and integrity; all employees are expected to comply with these principles. In addition, our employees and managers must run our business in compliance with all the applicable laws and regulations of the country in which we operate. Any violation of the following standards and/or laws and regulations will not be tolerated. Moreover, it is everyone's responsibility to report to the company or HR any violations of applicable laws and regulations without fear of retaliation. Employees should not accept or offer gifts, favors or entertainment, other than infrequent items of nominal value. Appropriate gift-giving can serve to build relationships. However, this should never be done if the possibility or even the appearance of improper influence exists. Melitron expects that its people will exercise good judgment, lead by example, and seek guidance, when necessary for their own conduct.
