

10.05.2011

Dear UNGC office,

We are writing to request additional time to submit our first COP that is due on 26 May 2011. We are already in the process of drafting our stand-alone COP report. However as it is our first report of its kind, we encounter unexpected delays in the process. Based on our revised plan, we expect to submit it by the end of June. Please accept our sincere apologies for requesting an extension.

We hope that the UNGC office will approve our request.

Kindest regards,

Sema Yetkiner

Human Resources Director
