

Dear ladies and gentlemen,

Could you grant us a delay to the annually required Communications on Progress (COP) of VM Finance Group. We need it, because Mrs. Gergana Bendurska who was responsible for COP in our corporation, is not a member of VM Finance Group anymore.

My name is Milena Atanassova, I am the new corporate communications manager in the group. But I am in VM Finance Group from 1 month and I need some more time to prepare the Communication on Progress report, because of the collecting of information from the filial companies. I would be grateful for your understanding.

Thank you in advance.

Best regards,

Milena Atanassova
