

Dear UNGC OFFICE,

Istanbul, 24 May, 2011

We recognize that a key requirement of Berko's commitment to the UN Global Compact is our annual submission of a Communication on Progress (COP). We understand that a good COP should meet several requirements. In line with Berko's corporate mission and values, we aim to create a stand-alone COP that will excel among its peers.

Based on our plan, we are going to publish our COP by mid-July, which misses our current May 24th deadline.

Therefore we hereby ask for a 90-day extension period.

Please accept our sincere apologies for requesting an extension.

Sincerely Yours,

Kemal YILDIZ
