LABOUR RELATIONS

GRI*	Description	UNGC*	Reference*	Comments
Employment				
LA1	Total workforce by employment type, employment contract, and region.		pp. 14, 15, HR Report	PFA's employees are covered by collective agreements with FA and DFL. Furthermore, PFA has entered into local agreements with two internal associations. An additional 25 % of the employees are employed on an individual basis.
LA2	Total number and rate of employee turnover by age group, gender, and region.	6	pp. 14, 15, HR Report	PFA does not determine employees according to age or gender.
Labour/management relations				
LA3	Benefits only provided to full-time employees.			Benefits are provided to all employees employed on a permanent basis.
LA4	Percentage of employees covered by collective bargaining agreements.		pp. 14, 15, HR Report	75 % of all employees are covered by a collective agreement or a local agreement.
LA5	Minimum notice period(s) regarding significant operational changes, including whether it is specified in collective agreements.			Any increase in working hours is made by three months' notice (Section 13, subsection 2 in the FA/DFL collective agreement). If PFA wants to change the office working hours, this must be done at four weeks' notice according to Section 16, subsection 5. Employees covered under a collective agreement and other employees employed on a permanent basis have a period of notice ranging from 3-9 months.
Occupational health and safety				
LA6	Percentage of total workforce represented in formal joint management-worker health and safety committees that help monitor and advise on occupational health and safety programs.	1	pp. 14, 15, HR Report	The efforts to ensure a sound occupational health and safety environment and any issues in connection with occupational health and safety as well as occupational injuries are handled by PFA's occupational health and safety committee. All employees are represented via the occupational health and safety committee.

LABOUR RELATIONS

GRI*	Description	UNGC*	Reference*	Comments
Occupational health and safety				
LA7	Rates of injury, occupational diseases, lost days and absenteeism, and total number of work-related fatalities by region.	1	pp. 14, 15, HR Report	From 2008 to 2010, a total of 19 employees received disability pension. The reason for award is not necessarily work related. During a three year period, the sickness absence was due to work related stress in five cases.
LA8	Education, training, counselling, prevention, and risk-control programs in place to assist workforce members, their families, or community members regarding serious diseases.	1	p. 14, 15, HR Report	The immediate supervisor takes care of the employees who fall seriously ill. The supervisor obtains support from the Human Resources department. If it is necessary to carry through changes related to the employee's job, this will be done, and the changes will be carried through in cooperation with the employee. All employees are covered by a critical illness insurance plan, PFA Preventive Care, a group term life insurance plan and a health insurance plan. The employee's children between the age of 1 and 18 are automatically covered by the health insurance plan.
LA9	Health and safety topics covered in formal agreements with trade unions.	1		Occupational health and safety topics are subject to Danish legislation. Furthermore, PFA cooperates with FA/DFL to ensure a sound occupational health and safety environment. Psychological occupational health and safety environment as well as well-being are covered by a framework agreement between PFA and FA/DFL.

HUMAN RIGHTS

GRI*	Description	UNGC*	Reference*	Comments
------	-------------	-------	------------	----------

Investment and procurement practices

HR1	Percentage and total number of significant investment agreements that include human rights clauses or that have undergone human rights screening.	1 -6	pp. 6, 13	All shares and corporate bonds undergo human rights screening.
HR2	Percentage of significant suppliers and contractors that have undergone screening on human rights and actions taken.	1-6		A list of demands to comply with PFA's CSR policy is incorporated into PFA's supplier contracts. The objective is to promote UNGC's principles.

Non-discrimination

HR4	Total number of incidents of discrimination and actions taken.	1, 2, 6		PFA has not recorded any incidents of discrimination.
-----	--	---------	--	---

Freedom of association and collective bargaining

HR5	Operations identified in which the right to exercise freedom of association and collective bargaining may be at significant risk, and actions taken to support these rights.	1, 2, 3		The right to exercise freedom of association and collective bargaining in Denmark is regulated by Danish law – including negative right to exercise freedom of association. PFA cooperates with PFAP, a division of DFL, on a daily basis. Employees are covered under the collective bargaining agreements within FASOR and FOROM respectively. Employees employed on an individual basis are not covered by a collective agreement, but they negotiate their own contracts.
-----	--	---------	--	---

Child labour

HR6	Operations identified as having significant risk of incidents of child labour, and measures taken to contribute to the elimination of child labour.	1, 2, 5	pp. 6, 7	The complexity of the nature of the labour makes child labour in the financial sector impossible. PFA lives up to the Danish Health and Safety at Work Act in force, in which the guidelines regarding employment of children and young people are described. This means that PFA does not employ children. As we wish to have an impact and promote the abolition of child labour, this element is included in our responsible investments guidelines.
