United Nations
New York, NY 10017

To Whom It May Concern:

Knowing the importance of participating in the Global Compact and how vital it is to report the accurate documentation of the Communication on Progress (COP), we are writing you to ask for a deadline extension to allow us the needed time to gather and post the required information.

We have been informed that the report of APCO Worldwide needs to be received by June 1, 2011. We are committed to fulfill this Global Compact requirement, however, we must request this period of grace in order to complete the process.

The COP will be sent no later than July 1, 2011.

Best Regards,
