

Zagreb, June 16th, 2011.

To whom it may concern,

We recognize that a key requirement for participation in the UN Global Compact is the preparation and posting of a Communication on Progress (COP) that is comprised of a statement of continued support for the UN Global Compact, a description of practical actions regarding the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the reorganisation of functions that are responsible for the Report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by September 12th at the latest.

Sincerely yours,

Suzana Markotić Šilović
