To our stakeholders:

Re: Grace Letter for Communication on Progress

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Our 2010-2011 Accountability Report which we use for submission as our COP report is complete at this time, however we are unable to publish it on our website until September due to technical constraints.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by September, 23rd 2011 at the latest.

Sincerely,
