

To our stakeholders:

We recognize that a key requirement for participation in the Global Compact is the annual preparation and posting of Communication on Progress (COP), that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and submission of our report COP due to the preparation of the Sustainability Report 2010.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP will be sent to the site of the Global Compact on 30 July 2011 at the latest.

Sincerely yours,
