Re: *UN Global Compact – Grace letter*

Dear Sir/Madam,

By this letter Kendrion requests to extend the deadline for filing its Communication on Progress from 8 September 2011 to 8 December 2011.

The reason for this request is that within Kendrion a newly installed CSR Board is currently developing new initiatives. Kendrion intends to include the description of these initiatives into its next Communication on Progress (COP) but the current deadline would be too tight for this.

We therefore prefer to file a more detailed and informative COP a bit later.

We kindly request you to confirm the extension.

Yours sincerely
KENDRION N.V.

Company Secretary / Legal Counsel
