

MMTC's Commitment In Support Of U.N.G.C. Programme

MMTC Limited, a Government of India enterprise set up in October 1963 is today the largest international trading Company of India with annual turnover of over US\$ 12 billion and is the first Public Sector Enterprise to be accorded "Golden Super Star Trading House" status by the Govt of India. MMTC currently designated as a "Premier Trading House" under the EXIM Policy of the Govt of India is the largest exporter of minerals from India and importer /supplier of bullion and non-ferrous metals into India. MMTC is also a leading international trader of Agro, Fertilizers, Coal and Hydrocarbons. MMTC has its network of offices located throughout the country with a foreign office at Johannesburg, South Africa and also a wholly owned subsidiary Company (MTPL) in Singapore, which holds prestigious 'Global Trader' status. MMTC is also the major promoter of Neelachal Ispat Nigam Ltd. (NINL) iron and steel plant in Odisha with an installed annual capacity of 1.10 million tonne.

The Company has diversified into newer areas and has established chain of retail stores "Shuddhi" under Joint Venture arrangement with Gitanjali Group for sale of medallions, gold jewellery, Sanchi silverware and diamond jewellery, commissioned a wind based power generation project, Indian Commodity Exchange Limited and permanent iron ore loading berth at Ennore Port. It has set for itself ambitious plans for further diversification into other areas in the coming years which include opening of free trade warehousing zones in India, coal mining and development of deep draught iron ore terminal at Paradeep Port.

MMTC is an environment friendly company in all its activities, products and services besides providing safe and healthy working environment to all its stakeholders. MMTC has played a pioneering role in creating mass awareness for quality and certified hallmarked jewellery in India.

The company has adopted Corporate Social Responsibility as a policy with effect from the year 2006-07 and has since undertaken several initiatives in various areas under CSR. The details are reflected in the Company's annual reports.

The Company reiterates its commitment to United Nation's Global Compact Programme and the set of core values enshrined in its ten principles on human rights, labour standards, environment and anti-corruption and committed to promote G.C. principles within the company's sphere of influence and has made it part of business strategy, culture and day-to-day operations.
