UN Global Compact  
CoP Commission

Londerzeel, July 8<sup>th</sup> 2011

**Grace period request  
To whom it may concern**

Dear sirs,

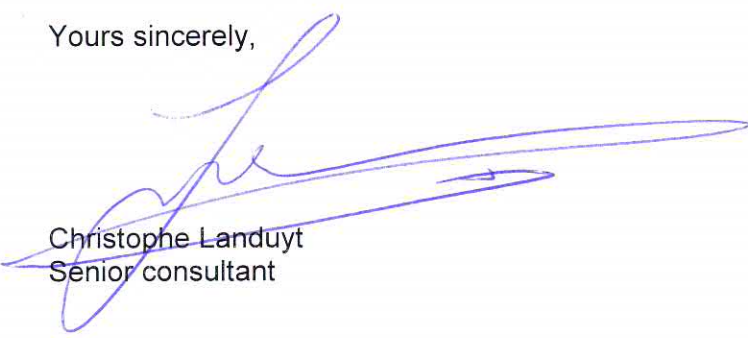

As an active participant in the UN Global Compact, our company is due to publish its first Communication on Progress by July 27<sup>th</sup> 2011. With this letter we ask for a grace period of 90 days.

Our accounting cycles run from July 1<sup>st</sup> until June 30<sup>th</sup> of the next year. To make our first Communication on Progress relevant, we want to include disclosures for the accounting year 2010-2011. The figures to integrate in the disclosures, however, will not be available before the end of September.

Although much of the work for the CoP has been done, with all key indicators for the accounting years 2010-2009 and 2009-2008 already in place, only a postponed CoP submission deadline will help us to fully meet the requirements of the UN Global Compact.

Do not hesitate to contact me either by e-mail ([christophe.landuyt@vanos.be](mailto:christophe.landuyt@vanos.be)) or by phone (+32 52 30 36 36) if you need any further information regarding my request.

Yours sincerely,

Christophe Landuyt
