

Date 15.7.2011

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report for 2010-11 as we follow a half-yearly reporting for all the activities undertaken. We will therefore, have the final report for circulation by the end of August 2011,

We thereby ask for an extension of a few months in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 1<sup>st</sup> October 2011 at the latest.

Sincerely yours,

Signature
