## Sodexo's STOP Hunger Initiative

*Throughout the world, more than 1 billion people suffer from hunger and malnutrition every day. Sodexo's STOP Hunger initiative is working to change that. Today, Sodexo operates in 80 countries, with 380,000 employees working to improve the quality of daily life at 34,000 sites. As part of our Better Tomorrow Plan, our worldwide sustainability roadmap, we commit to establishing STOP Hunger programs in 50% of the countries where we operate by 2015, and in 100% of the countries we operate in by 2020.*
