

HANDS ON
the Better Tomorrow Plan

The Better Tomorrow Plan is
Sodexo's sustainability plan
for a better future

sodexo
Quality of Daily Life Solutions

#3 - April 2011

Towards better sustainability rankings

Sodexo has been named SAM Sector Leader and Gold Class for the 4th year running. This major SRI (Socially Responsible Investment) recognition is key to present Sodexo's performance.

Who are the rating agencies and what is exactly their mission ?

Support the development of Local Communities

Working with aboriginal communities – Canada

For more than 20 years, Sodexo has been working with aboriginal communities in Canada. When joining the Manitoba Hydro Project, Sodexo has engaged in programs that ensure the local community benefit from the activities implemented on their home land.

Protect the Environment

Local and seasonal sourcing - France

As a mean to reduce the consumption of products from remote or outsourced production and help develop local agriculture, Sodexo has been promoting local and seasonal fresh fruits and vegetables in all French regions.
