Quality of Daily Life Solutions

#4 - May 2011

Business Integrity – a Group fundamental

Conducting business with high ethical standards is fundamental to Sodexo. In light of this, the Group Supplier Code of Conduct has been revised in April 2011 as part of the deployment of the Better Tomorrow Plan. Our objective is to ensure that every country has the Code of Conduct signed by their contracted suppliers.

NEW

FEBRUARY | MARCH | APRIL

Our best 1,200+ initiatives worldwide

In our 80 host countries, our 380,000 employees working at 34,000 clients' sites innovate every day to deploy the Better Tomorrow Plan. By sharing our good practices, we aim at making them better known, and largely reproduced wherever possible.

Support the development of Local Communities Super Vegetable Gardens – Algeria

Launched in 2010, the project aims at fostering food auto sufficiency for the local communities living in desert zones. Six partners have joined their efforts for the pilot. A year after, tonnes of vegetables have been produced in two arid agrarian areas.
