Dear Mr. Secretary – General,

EVN Bulgaria EAD is a member of the United Nations Global Compact since 04.08.2010. In the last year EVN has implemented its business activities and Policy of Corporate Social Responsibility following the 10 fundamental principles of the Global Compact.

Whit this letter we would like to ask for prolongation of the term for preparation of the Annual Report for Communication of Progress. The additional time is necessary to summarize all available information and initiatives for implementation of the four basic categories of values: human right, labor, environment and anti- corruption.

We support public accountability and transparency and will make the necessary efforts to publish the Report of Communication of Progress within the prolonged term.

Sincerely yours,

Mag. Kalina Trifonova
Member of Board
