Dear Madam/Sir,

An Post is now due to Communicate on Progress. Unfortunately our Sustainability data for 2010 environmental activity has not yet received final validation from our sector body, International Post Corporation.

We expect full validation by mid-September 2011 and we intend to complete and submit our Communication on Progress on receipt of data confirmation. On this basis we request an extension of the deadline for our Communication on Progress.

Kind regards,

Aileen Mooney,  
Corporate Communications Manager,  
An Post.
