

The United Nations Global Compact Office

Copenhagen, 17 August 2011

**Request for grace period**

Dear Sir/Madam,

With this letter, we wish to request a grace period of two weeks for our Communication on Progress (CoP). We have been a little delayed in preparing this year's CoP.

We recognise that a key requirement for participating in the UN Global Compact is the annual preparation and submission of a COP comprising a statement of continued support for the UN Global Compact, a description of concrete initiatives adhering to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We request for our deadline to be extended to 1 September 2011.

Yours faithfully,

Communications Manager Farid Fellah
