To our stakeholders:

We recognize that a key requirement for participating in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) which comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to our efforts to provide an accurate and comprehensive report. We will need a little more time to gather accurate data and to set meeting times to discuss concrete plans.

We hereby ask for an extension period in order to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by *[2011-12-24]* at the latest.

Sincerely yours,
