Re: COP Grace Letter

Dear Mr. Secretary-General,

Our first COP filing deadline is October 1, 2011 and this letter is our formal request for additional time to file our first COP.

Canpro has quite recently undergone a corporate merger that effectively doubled our number of staff and offices overnight. As a result, we are now undergoing a corporate re-branding and re-organization that should be completed and publicly launched by late October. To that end, it is our preference to file our first COP under our new name and reflect our work on enshrining the Global Compact principles in our operations – nationally and internationally. We are requesting a ninety (90) day extension on filing our first COP.

Sincerely yours,

Mark W. LaLonde
Director
