United Nations Global Compact
COP Team
Two United Nations Plaza
New York, NY 10017

Dear Sirs,

Given the extraordinary circumstances caused by the unfortunate events of July 11th in Cyprus and which have subsequently lead to our company's increased workload, we would like to request an extension of the COP deadline, under the provisions of the Global Compact Program.

Thank you for your consideration and we look forward to your positive response to this issue.

Sincerely,

MITAS GENERATORS LTD

Andreas Mitas
Managing Director
