Dear Mr. Secretary-General,

I am pleased to confirm that SMT Inc. reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labor, Environment and Anti-Corruption.

We also commit to share this information with our stakeholders using our primary channels of communication. I am writing to confirm the SMT Inc. support the ten principles of the Global Compact with respect to human rights, labor, environment and anti-corruption. We express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the United Nations. SMT Inc will make a clear statement of this commitment to our stakeholders and the general public.

We are submitting a key requirement for participation with the annual submission of the COP that describes our company's efforts to implement the ten principles. We apologize for our lack of communication as we were ignorant of the process. We will continue to support this effort and communicate annually going forward. Please reinstate our position as an active member with submission of this commitment letter and COP.

Best,  
Susan Rothecker, President/CEO
