Re: Extension period of COP – Communication on Progress

Date

Århus N, 21 December 2011/LIHAR

With the participation in UN Global Compact Lead, Vestas expands the Communication on Progress from the Annual Report to also encompass reporting on vestas.com. The current deadline for our COP is 2 days after the deadline of the Annual Report (8 February). To allow for time to upload the annual data on vestas.com and to report on the UN Global Compact Lead Blueprint, we therefore ask for a permanent extension of the deadline to 24 February.

Our new COP report will be posted on the UN Global Compact website by 24 February 2012 at the latest.

Yours sincerely
Vestas Wind Systems A/S
