Grace Letter

TO: UN Global Compact

05/01/2012

Knowing the importance of participating in the Global Compact and how vital is the accurate documentation of the Communication on Progress (COP), we are writing you to ask for a deadline extension in order to have the needed time to gather and post the required information.

The reason for our late submission is due to an oversight of the deadline. Due to holiday period (Christmas/New Year) and absence of our CEO we did not manage to complete all documentation and that is why we would like to ask you for an extension of our deadline from 06/01/2012 to 31/02/2012.

I would like to state that we are very proud to be a Global Compact member and are keen to maintain our affiliation with your organization.

I look forward to hearing from you with regard the extension.

Kind regards,

Agnieszka Gendaszyk
