LETTER OF GRACE

To Whom it May Concern,

Please accept this letter as our organizations plead for a grace period for our COP in reference to our participation in the Global Compact. This is due to that our COP will be based on our annual report data and information. Thus we would like to request a prolonged deadline for our COP so that it coincides with the annual report process and gathering of information.

We appreciate the consideration given to our request as we greatly value our continued support of the Global Compact.

Kind regards,
Birger Nilsson
Development Director,
