18 January 2012

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Our last COP submittal which was posted in January 2011 combined both COP's for 2009 and 2010. Since our intention was to harmonize our annual reporting cycle to cover the respective calendar year, the deadline for submitting our COP for 2011 is due on 25th January 2012. Taking into consideration that certain data and information required for inclusion in the COP has to wait for end of year closures that will only happen during the first quarter of the following calendar year, consequently, we will not be able to submit our COP for 2011 on the stated deadline.

Bearing on the above and in order to organize our reporting cycle accordingly, we hereby ask for an extension period to defer the submission of our COP report for 2011 until the beginning of April 2012.

Sincerely yours,

Tony Awad
