To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact (UNGC) is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We submit this notice because we wish to coordinate the publication of our COP with our parent company East Asiatic Company's COP. Our new COP report will be posted on the UN Global Compact website by March 15, 2012 at the latest.

Sincerely yours,

Lance B. Allen
