Subject : Request for a grace period for COP submission

Dear Madam, Sir,

As defined in the COP Policy of the UN Global Compact, We, Sagemcom, are entitled to publish a Communication on Progress by the 21th January 2012.

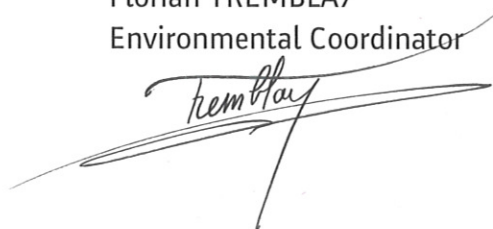

We apply for an extension of the COP due date. As we are reporting on 2011 year, we need to close our annual activity report by the end of January, to use it as a fair basis to demonstrate progress on environmental actions on our sites and products compared to 2010.

Expected date for data analysis and COP submission is 15th of February 2012.

I remain at your disposal for any further question.

Best regards,

Florian TREMBLAY
Environmental Coordinator
