The Chairman  
United Nations Global Compact  
New York, NY 10017  
USA

Dear Chairman,

Due to the main contact person having being on medical leave, TruTeq has been unable to complete its communication on progress (COP) on time.

Keeping to the deadline would have resulted in this important document not receiving the attention it deserves.

Kindly extend the deadline with the grace period of 90 day in order for us to complete this document.

Sincerely yours,

---

*Tjaart van der Walt*  
Managing Director / CEO
