Adjustment Request

Dear Mr. Secretary-General,

I am very pleased that Fabège last year decided to support United Nations Global Compact Initiative and equally pleased to be able to inform you that our efforts to implement the ten principles during the last year have been very positive. One of the results of our work has been that we wish to reach as many of our stakeholders as possible with our Report on Progress. We therefore have decided to submit our Communication on Progress as an integrated part of our most important publication each year, the Annual Report.

With this Adjustment Request we therefore wish to change our COP Date to follow our annual reporting cycle and wish to adjust it from the 14th of February to the 31st of March each year.

The calendar on our website, www.fabège.se, will be continually updated and show next reporting date. This years Annual Report will be available on our website on the 7th of March 2012.

However, the exact reporting date will vary a few days from year to year.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Christian Hermelin".
