Dear Sirs

**Request for a grace period in submitting COP report**

Bacardi Limited has already filed two reports and is due to file its third by 24<sup>th</sup> February 2012.

Our report has been delayed due to a significant reorganisation across the business, which has unfortunately impacted on our time schedule.

The report is in its final draft stage pending top management approval and we would expect to file within the 90 days grace period, which we are requesting.

I hope this request can be granted and please do not hesitate to contact me if there are any queries.

Yours faithfully

**Chris Searle**  
**International Affairs & Global CSR Director**
