- We create Priority Customer Online Order System ( E- Procurement), to assist the purchasing department for Companies and Government Institutions in Indonesia that has Good Governance Policy, in fulfilling their needs, from stationery to heavy equipments.
- With this Priority Customer Online Order System / E-Procurement, a lot of Top and Public Companies reduce the use of the paper, save a lot of time from negotiating and avoiding untracked process. Thus, its transparency (price and process) is the implementation of anti corruption principle.
