Extension of UN Global Compact COP submission date

KOMPAN A/S hereby confirms that we wish to move our Global Compact COP deadline from March 21st to May 31st every year.

The reason for this change is that KOMPAN A/S COP and a section regarding our CSR activities in the Annual Report serve as our main reporting on our CSR activities in compliance with the Danish Financial Statement Act on Corporate Social Responsibility and UN Global Compact.

KOMPAN A/S is publishing its Annual Report within May 31st every year, according to §138 in the Danish Financial Statements Act.

In order to ensure a uniform and concurrent CSR communication about our CSR activities, we therefore request for an extension, so we can submit our COP on the same date as we publish our Annual Report every year.

Best Regards
