News

AENER ENERGÍA PROUDLY SUPPLIER OF UNITED NATIONS

Following its international expansion and search for excellence, Aener Energía has moved a step forward becoming part of the exclusive group of Official Suppliers of the United Nations. This milestone in Aener's history links the company with great values promoted by UN like the Global Compact or the Goals of the Millennium.

News

SOLIDARITY IN SAHARA DESERT

Recently a group of young enthusiasts have developed a humanitarian project for Saharan refugees in Tinduf (Algeria) creating a football school and a cinema academy. Aener Energía has done his bit on this donating sport material, thus putting a smile on all those children's faces.
