Re: Tiffany & Co. Communication on Progress reporting period adjustment request

Dear Ms. Blanco,

Per our conversation on March 21, 2012, Tiffany & Co. is requesting that the Global Compact adjust the annual due date for our Communication on Progress from April 18th to August 15th in 2012, and in subsequent years.

The Tiffany & Co. Fiscal Year 2011 (February 1, 2011 – January 31, 2012) Communication on Progress (COP) will be included within our Fiscal Year 2011 Corporate Responsibility Report that is scheduled to be published online at Tiffany.com/sustainability in July. Our goal is to utilize our annual Corporate Responsibility Report as the mechanism for reporting our COP.

In our Fiscal Year 2010 report, published in November 2011, and currently available online at tiffany.com/sustainability, we included a COP to show our commitment to the Global Compact, however as this is based on our performance prior to joining the Global Compact, we did not feel that we should upload this onto your website as it discusses our accomplishments prior to becoming a member. The current COP can be found at the following web address: <http://www.tiffany.com/csr/aboutreport/globalcompact.aspx>.

Please confirm that our reporting schedule has been adjusted and that we will continue to be listed as an active member of the Global Compact.

Please feel free to contact me at (212) 230-6888 to discuss any questions or concerns.

Sincerely,

Michael Krugman
Manager, Sustainability & Corporate Responsibility
