CoP: Grace Period 90 days

To our stakeholders:

Based on earlier submissions to the UNGC, Swarovski's next installment under the Communication on Progress (COP) process is due on or around 22 March 2012. Swarovski is committed to supporting the principles and procedures of the Global Compact.

Swarovski's Executive Board is responsible for the governance of the Swarovski Crystal Business, and as the governing body has taken the lead in developing a comprehensive Responsibility Strategy. As the result of their schedules, we need additional time to submit our next Communication on Progress.

We therefore respectfully request an extension period in order to be able to submit a CoP by no later than 22nd of June 2012.

Respectfully submitted,

Ulrike Braun
