Adjustment Request

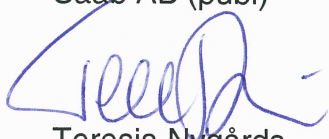

Saab AB hereby submits an adjustment request in order to adjust our COP submission with our Annual Reporting cycle. As described in the UN Global Compact Policy on Communicating Progress, updated February 25, 2011, under the heading "Modification of COP Deadlines" such an adjustment is possible and may result in a one-time deadline deferral of up to 11 months.

Under the Swedish Securities Market Act (SFS 2007:528), Saab AB must disclose an Annual Report within four months from the expiry of the financial year. This means that Saab AB is obligated to disclose the Annual Report at the latest on 30 April every year. Therefore, Saab AB is now requesting a modification of our first COP deadline from 15 June, 2012 to 30 April, 2013.

This would enable Saab AB to submit our COP in connection with disclosing our Annual Report. The requested deferral is consequently 10.5 months and covered by the COP policy. We understand that this is a one-time deadline deferral.

Please do not hesitate to contact me if you have any questions regarding our request.
