

To the Communication on Progress Team and to Aurelie Dubois

I would like to ask you for additional time to submit our COP. I should have been helped by one of our directors, M.Bouisset, in charge of Sustainable Development to write our COP but he just left our company. So it's a little bit longer for me to collect all the figures, to write this report and get the validation of our CEO.

Thank you for your understanding

Sincerely

Berangere Pouget
