

Grace Request

The deadline for submitting the Perstorp Holding AB's annual Communication on Progress (COP) is 25 May, 2012. Perstorp Holding AB, called the Perstorp Group, would like to ask for the permission to submit the Communication on Progress to the UN Global Compact no later than 29 June, 2012. The reason for the delay is that the Perstorp Group now is in the very final stage of a joint venture for part of its operations with Thai Chemical Company PTTGC affecting the public release of the Annual and Social Responsibility Report 2011. Perstorp Holding AB plans to submit the Annual and Social Responsibility Report 2011 as the COP. The Perstorp Group will not be able to release the report until after the joint venture is closed which is planned to be done 31 May, 2012. We hope for your understanding.
